In forwarding herewith a copy of Taluk Board Resolution No.186 dated 1-12-32, I have the honour to submit as follows:-

2. The necessity for a regular dispensary at Palayam is keenly felt for the past several years. The village has a population of 3310 and its surrounding villages ~~are~~ of - Doddinduvadi, Chickinduvadi, Ikkadahalli, Chickayalur ~~and~~ Thellanur, Uganiam and Sathegal are also thickly populated and have got a population of // 308. At present the villagers of these villages have to go over to Kollegal (Taluk Head quarters) Hospital for medical/aid and these are more than 7 to 15 miles from Kollegal and they find it extremely difficult to go over and the villagers cannot reach the

hospital in time to get the required aid. These villages are also malarial and as such require a hospital to give relief to the suffering villagers. There is no medical practitioner - either Ayurvedic, Unani or Allopathic in these villages or in any place nearby. The matter was being agitated by the villagers from a long time and as the funds of the Taluk Board did not permit the running of a dispensary one was ^{not} opened till now.

3. The transfer of any of the existing dispensary^{ies} under the Board, to these parts is out of question as the other parts of the Taluk where there are Taluk Board dispensary^{ies} are also equally ^{bad} ~~and~~ and highly malarial and medical aid is a matter of every day necessity there.

4. The Taluk Board considered all these and ~~not~~ resolved to open a new dispensary at Palayam as this village is ^{centrally} ~~actually~~ situated ~~preventive~~ and requests Government to sanction half the recurring expenditure. The financial condition of the Board is very poor and it cannot ~~f~~ afford to run the new dispensary entirely ^{from its} ~~permit~~ funds without Government financial aid. A copy ^{p 3 infra} of the Examiner's remarks on the financial condition of this Board is enclosed for reference.

5. Under the circumstances stated above, I request, Government may be pleased to sanction at least half the recurring cost of expenditure for the regular dispensary to ^{be opened} ~~Kolligal~~ at ~~Pinnam~~. Palayam.

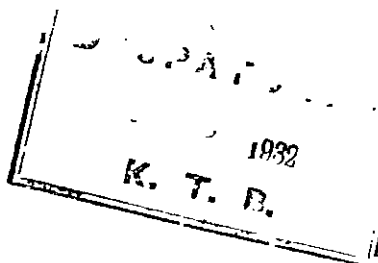

I have the honour to be,

S i r,

Your most obedient servant,

General Review:-

4. The resources of the Board are limited and the Board depends to a large extent for its maintenance on the annual contribution paid by the District Board amounting on an average to Rs.18,000/-. The income derived from the main sources of revenue comprising land cess and ferry and market rents does not exceed Rs.10,000/- a year. The average annual receipts for the past four years amounted to Rs.28,900/- of which the District Board contributed a sum of Rs.17,800/-.

The expenditure during the year under report was in excess of the receipts by Rs.3,320/-
